

Parachute Band, You Alone

All my life I'll praise You
There's no other like You
You alone are Lord
Lord Jesus

Who controls the rushing of the mighty wind
Who holds the power of the seas
Who by His word formed
The heavens and the earth almighty God
Almighty God
The Lord Jesus is His name

He is the one who holds the universe
The power of life is in His hands
His strength is in me
Helping me to do his will
He is my Lord
In His power I will stand
