

Parachute Band, You Mean Everything To Me

You mean everything to me
Lord You are so faithful
Where I wanna be
Is in Your presence

That's where I belong
When Your spirit's falling on me
That's where I feel strong
When Your grace is upon me
You've given me a song
And now I'm going to worship
In Your presence

I only want to live for you
Giving You glory
In all that I do
