

Parachute, Kiss Me Slowly

Stay with me,baby stay with me
tonight don't leave me alone
walk with me, come and walk with me
to the edge of all we've ever know

I can see you there with the city lights
fourteenth floor, pale, blue eyes
i can breathe you in

Two shadows standing by the bedroom door
no I could not want you more
than I did right then so heads leaned in

Well , I 'm not sure what this is gonna be,
but with my eyes closed all I see
is the skyline through the window
The moon above you and the streets below
Where my breath as you're moving in
taste you're lips and feel your skin
When the time comes,baby don't run
Just kiss me slowly

Stay with me , baby stay with me
tonight don't leave me alone
She shows me everything
she used to know
Pictures frames and country roads
when the days went along
and the world was small
She stood by as it fell apart to seperate rooms
and broken hearts
But I won't be the one to let you go

Well , I 'm not sure what this is gonna be,
but with my eyes closed all I see
is the skyline through the window
The moon above you and the streets below
Where my breath as you're moving in
taste you're lips and feel your skin
When the time comes,baby don't run
Just kiss me slowly

Don't run away...

and it's hard? to love again
when the? only way it's been
when the only love you knew
just walked away

And it's something that you want
Darling, you don't have to run
You don't have to go

Just stay with me,baby stay with me

Well , I 'm not sure what this is gonna be
,but with my eyes closed all I see
is the skyline through the window
The moon above you and the streets below
Where my breath as you're moving in
taste you're lips and feel your skin
When the time comes,baby don't run
Just kiss me slowly

I 'm not sure where this is gonna go
but in this moment all I know
is the skyline through the window
The moon above you and the streets below
Hold my breath as you're moving in
taste you're lips and feel your skin
When the time comes,baby don't run
Just kiss me slowly.
