

# Paradise Lost, Gothic

Denying our restlessness  
Frustrations tension eludes  
The past was clean  
Where thoughts were mild  
The present day horrors alive

Slowly passing timeless horrors

Lives within all fear  
The mourning in my tears  
Drown all the past  
We lived beneath these years  
Awaiting for the call  
For all life to expire  
Passive to this day  
To infinity we'll fall

The light is dim before us  
Shadows appear and fall  
A barrage of savage ways  
Only the darkness can filter through

Awaiting for the call  
For all life to expire  
Passive to this day  
To infinity we'll fall  
Lives within all fear  
The mourning in my tears  
Drown all the past  
We lived beneath these years
