

# Paradise Lost, Pray Nightfall

in my head this all is in my head this all is  
in my head this all is in my head this all is  
in my head...

i hold on tight for this mortal ride  
rest my head 'til the mornings coming down on me  
i realise my own sacrifice  
rest my head before somebody's going out...

in my head this all is in my head this all is  
in my head this all is in my head this all is  
in my head...

pray nightfall release me  
then i could wander, wander to deep sleep

awake despite, another mortal night  
rest my head, for the sun is shining down on me  
i realise try to synchronize  
rest my head or somebody's going down

in my head this all is in my head this all is  
in my head this all is in my head this all is  
in my head...

pray nightfall release me  
then i could wander, wander to deep sleep

trying to make things work  
trying to make things right  
trying to make things work  
without serendipity in my life.....
