

# Paradise Lost, The Enemy

Why can't you say sorrow  
Why can't you say think I believe  
Thou must not steal borrow  
Why must you steal things I receive?

Why can't you say sorrow  
Why can't you say think I believe  
Why must you steal borrow  
Always conceal cling to belief

Damaged this way hollowed  
Living the lie that you can't take  
Damaged maintained solemn  
Living for rules you only break

How can you say?

The enemy is thrown into the sadness,  
For the enemy there's only pain and sadness then death...
