

# Paradise Lost, The Last Time

It's a struggle with a failures frown  
And it crashes in front of me  
I see the clouds divide  
Will you stay or try to leave

The time you're looking at through the door  
And think to walk right through  
I want to ignore  
I only wish that it passes soon

Hearts beating...

I raise a sunken smile  
As I serve only the ones who served  
What can I achieve  
As you steal the air I breathe

A cruel misfortune  
Forbidding is to see  
When stories may collide  
It's a sad state of mind

Hearts beating...

Hearts beating for the last time  
Hearts beating it is a state of mind

Hearts beating for the last time  
The peace you cannot find
