

# Paramore, Adore

I don't mean to run  
But every time you come around  
I feel more alive  
Than ever

And I guess it's too much  
Maybe we're too young  
And I don't even know  
What's real

But I know I've never wanted anything so bad  
I've never wanted anyone so bad

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

Help me come back down  
From high above the clouds  
You know I'm suffocating  
But I blame this town

Why do I deny  
The things that burn inside?  
Down deep I'm barely breathing  
You just see a smile

And I don't wanna let this go  
Really I just want to know

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

If I let you love me  
Be the one adore  
Would you go all the way?  
Be the one I'm looking for

If I let you love me  
Be the one adore  
Would you go all the way? (Stay)  
Be the one I'm looking for
