Paramore, Ain't It Fun

I don't mind
Letting you down easy but just give it time
If you don't hurt now but just wait, just wait a while
You're not the big fish in the pond no more
You are what they're feeding on

So what are you gonna do When the world don't orbit around you? So what are you gonna do When the world don't orbit around you?

Ain't it fun? Living in the real world Ain't it good? Being all alone

Where you're from, You might be the one who's running things Where you could ring anybody's bell and get what you want You see its easy to ignore trouble When you're living in your bubble

So what are you gonna do When the world don't orbit around you? So what are you gonna do When nobody wants to fool with you?

Ain't it fun? Living in the real world Ain't it good? Being all alone

Ain't it good to be on your own?
Ain't it fun, you can't count on no one
Ain't it good to be on your own?
Ain't it fun, you can't count on no one
Ain't it fun?
Living in the real world

Don't go crying to your mama Cause you're on your own in the real world Don't go crying to your mama Cause you're on your own in the real world

Don't go crying to your mama Cause you're on your own in the real world Don't go crying to your mama Cause you're on your own in the real world

Ain't it fun? Ain't it fun? Baby, now you're one of us Ain't it fun? Ain't it fun?

Ain't it fun? Living in the real world Ain't it good? Ain't it good? Being all alone
