

Paramore, Crushcrushcrush

I got a lot to say to you
Yeah, I got a lot to say
I noticed your eyes are always glued to me
Keeping them here
And it makes no sense at all
They taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth with their lies
Your little spies
Crush
Crush
Crush
Crush, crush
(Two, three, four!)
Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happened
I guess I'm dreaming again
Let's be more than this
If you want to play it like a game
Well, come on, come on, let's play
Cause I'd rather waste my life pretending
Than have to forget you for one whole minute
They taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth with their lies
Your little spies
Crush
Crush
Crush
Crush, crush
(Two, three, four!)
Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happened
I guess I'm dreaming again
Let's be more than this now
Rock and roll, baby
Don't you know that we're all alone now?
I need something to sing about
Rock and roll, hey
Don't you know, baby, we're all alone now?
I need something to sing about
Rock and roll, hey
Don't you know, baby, we're all alone now?
Give me something to sing about
Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happened
I guess I'm dreaming again
Let's be more than
No, oh
Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happened
I guess I'm dreaming again
Let's be more than
More than this
