

Paramore, Emergency

I think we have an emergency
I think we have an emergency

If you thought I'd leave, then you were wrong
Cause I won't stop holding on

So are you listening?
So are you watching me?

If you thought I'd leave, then you were wrong
Cause I won't stop holding on.

This is an emergency
So are you listening?

And I can't pretend that I don't see this

It's really not your fault
That no one cares to talk about it,
Talk about it

Cause I've seen love die
Way too many times
When it deserved to be alive
(When it deserved to be alive)
I've seen you cry
Way too many times
When you deserve to be alive, alive

So you give up every chance you get
Just to feel new again

I think we have an emergency
I think we have an emergency

And you do your best to show me love,
but you don't know what love is.

So are you listening?
So are you watching me?

Well I can't pretend that I don't see this

It's really not your fault
That no one cares to talk about it,
Talk about it

Cause I've seen love die
Way too many times
When it deserved to be alive
(When it deserved to be alive)
I've seen you cry
Way too many times
When you deserve to be alive, alive

These scars, they will not fade away.

No one cares to talk about it, talk about it

Cause I've seen love die
Way too many times
When it deserved to be alive
(When it deserved to be alive)
I've seen you cry

Way too many times
When you deserve to be alive, alive
