Paramore, Hallelujah

Somehow everything's gonna fall right into place If we only had a way to make it all fall faster everyday If only time flew like a dove Well God, make it fly faster than I'm falling in love

This time we're not giving up Let's make it last forever Screaming "hallelujah" We'll make it last forever

Holding onto patience wearing thin I can't force these eyes to see the end If only time flew like a dove We could watch it fly and just keep looking up

This time we're not giving up Let's make it last forever Screaming "hallelujah" We'll make it last forever

And we've got time on our hands (We've got time) Got nothing but time on our hands Got nothing but, got nothing but (We've got time) Got nothing but time on our hands

This time we're not giving up Oh, let's make it last forever Screaming "hallelujah" (hallelujah) Hallelujah
