

# Paramore, Miracle (Live)

I've gone for too long  
Living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and I  
When this memory fades  
I'm gonna make sure it's replaced  
With chances taken  
Hope embraced  
And have I told you?

I'm not going  
'Cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you  
Let you give up on a miracle  
When it might save you

We've learned to run from  
Anything uncomfortable  
We've tied our pain below  
And no one ever has to know  
That inside, we're broken  
I tried to patch things up again  
To cut my tears and kill these fears  
But have I told you, have I?

I'm not going  
'Cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you  
Let you give up on a miracle  
When it might save you

It's not faith if  
If you use your eyes  
Oh why

We'll get it right this time (this time)  
Let's leave this all behind  
Oh why

We'll get it right this time  
It's not faith if you're using your eyes  
Oh why

I've gone for too long  
Living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and I

I don't want to run from anything uncomfortable  
I just want, no  
I just need this pain to end right here

I'm not going  
'Cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you  
Let you give up on a miracle  
'Cause it might save you

Yeah, it might save you  
Oh, it might save you

It's not faith if, if you use your eyes  
If you use your eyes  
If you use your eyes

I asked for love  
I asked for mercy  
I asked for patience  
but you're already all of these things  
If i knew what I needed  
If i knew what was good for me  
I'd be down on my knees begging  
please please let your light glow bright inside of me
