

# Paramore, Running Out of Time

Said I was gonna take some flowers to my neighbor but I ran out of time  
Didn't wanna show up to the party empty handed  
But I ran out of time  
Said I'd walk the dog a little further than the driveway tonight  
The extra mile  
Thought I'd send a card with my condolences but damn I  
Just ran out of time

Intentions only get you so far  
What if I'm just a selfish prick?  
No regard

I'm always running out of time

Nevermind I hit the snooze on my alarm twenty times  
But I was just so tired  
There was traffic  
Spilled my coffee  
Crashed my car  
Otherwise  
Woulda been here on time  
Shoulda  
Coulda  
Wouldn't matter  
Ultimate alibi  
You know it's a lie

There was a fire! (Metaphorically)  
Be there in 5! (Hyperbolically)

Intentions only get you so far  
(It was on my list I swear I meant to get to it)  
A harsh reality to discover

I'm always running out of time

Why we gotta be in a rush?  
My watch is just for decoration  
Look I showed up early for once  
Now that's a new sensation

We're always running out of

Time

She's always running out of time

We're always running out of time

She's always running out of time

We're always running out of time
