

Paramore, Stop This Song(Lovesick Melody)

You say the sweetest things and I
Can't keep my heart from singing
Along to the sound of your song
My stupid feet keep moving
To this 4/4 beat, I'm in time with you
Whoa, to this 4/4 beat I would die for you (die for you)

(Someone stop this)
I've gone to far to come back from here
But you don't have a clue
You don't know what you do to me

Won't someone stop this song
So I won't sing along
Someone stop this song
So I won't sing...

I never let love in
So I could keep my heart from hurting
The longer that I live with this idea, the more I sink into this 4/4 beat
I'm in time with you
Whoa, to this 4/4 beat I would die for you (stop this song)

I've gone to far to come back from here
But you don't have a clue
You don't know what you do to me
I've come to far to get over you,
And you don't have a clue
You don't know what you do to me

Can't someone stop this song
So I won't sing along
Someone stop this song
So I won't sing

Your lovesick melody
Is gonna get the best of me tonight
But you won't get to me if I don't sing

It creeps in like a spider
Can't be killed, although I try and try to
Well, don't you see I'm falling?
Don't wanna love you, but I do

(Lovesick melody) Can someone stop this song, so I won't sing along?
(Lovesick melody) Can someone stop this song, so I won't sing?
Your lovesick melody
Is gonna get the best of me tonight
But you won't get to me, no
You won't get to me cause I won't sing
