

# Paramore, Stop This Song(Lovesick Melody)

You say the sweetest things and I  
Can't keep my heart from singing  
Along to the sound of your song  
My stupid feet keep moving  
To this 4/4 beat, I'm in time with you  
Whoa, to this 4/4 beat I would die for you (die for you)

(Someone stop this)  
I've gone to far to come back from here  
But you don't have a clue  
You don't know what you do to me

Won't someone stop this song  
So I won't sing along  
Someone stop this song  
So I won't sing...

I never let love in  
So I could keep my heart from hurting  
The longer that I live with this idea, the more I sink into this 4/4 beat  
I'm in time with you  
Whoa, to this 4/4 beat I would die for you (stop this song)

I've gone to far to come back from here  
But you don't have a clue  
You don't know what you do to me  
I've come to far to get over you,  
And you don't have a clue  
You don't know what you do to me

Can't someone stop this song  
So I won't sing along  
Someone stop this song  
So I won't sing

Your lovesick melody  
Is gonna get the best of me tonight  
But you won't get to me if I don't sing

It creeps in like a spider  
Can't be killed, although I try and try to  
Well, don't you see I'm falling?  
Don't wanna love you, but I do

(Lovesick melody) Can someone stop this song, so I won't sing along?  
(Lovesick melody) Can someone stop this song, so I won't sing?  
Your lovesick melody  
Is gonna get the best of me tonight  
But you won't get to me, no  
You won't get to me cause I won't sing
