

# Parasite, You Wouldn't Believe Me... If It Wasn't True

There's a haunting I have constantly,  
You wouldn't believe me if it wasn't true,  
There's a beautiful spectre I can't shake,  
You wouldn't believe me if it wasn't true,

There's a fire that burns in me,  
You wouldn't believe me if it wasn't true,  
There's a hand around my stomach,  
You wouldn't believe me if it wasn't true,

So many stories, I could tell you in just a day,  
I can tell I'm making a fool of myself,  
So I'll just fade away.

There are movements that are involuntary,  
You wouldn't believe me if it wasn't true,  
There are things I want to say but I can't  
You wouldn't believe me if it wasn't true,

There's a strange confusion between us,  
You wouldn't believe me if it wasn't true,  
There's a vacancy for you on lonely nights,  
You wouldn't believe me if it wasn't true,

So many stories, I could tell you in just a day,  
I can tell I'm making a fool of myself,  
So I'll just fade away.

You know it's true,  
But you don't want to believe,  
Let me in.

There's a strange confusion between us,  
You wouldn't believe me if it wasn't true,  
There's a vacancy for you on lonely nights,  
You wouldn't believe me if it wasn't true,

There are movements that are involuntary,  
You wouldn't believe me if it wasn't true,  
There are things I want to say but I can't  
You wouldn't believe me if it wasn't true,

So many stories, I could tell you in just a day,  
I can tell I'm making a fool of myself,  
So I'll just fade away.

So many stories, I could tell you in just a day,  
I can tell I'm making a fool of myself,  
So I'll just fade away.

You wouldn't believe me if it wasn't true,  
You wouldn't believe me if it wasn't true,  
Fade Away.
