

Paria, Misanthropos

For so long we've waited for these days to come to an end
That day is here
Tear down these walls
This city is dead
Tear down these walls
Intuition has failed me and I've failed everyone time and again I've failed you
For the last time
This is my blood
This is my blood dripping from your hands when you stabbed me
In my back
Through these blank stares time stopped for one minute
And for one minute I felt Alive
I'm so sorry for all I've done and all I'll never do
That day is here
This is my blood
I'm so sorry for
Everything I've done and for all I'll never do
