

# Pariah, Did I Hear You Say. . .?

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)

You came home with blood-red wine spilled on your dress

Smelled like cigarettes your hair was a mess

You'd been out with the girls--got too drunk to drive

Didn't even call to let me know you were alive

(CHORUS)

Did I hear you say that you love me

Did I hear you say that you care

Did I hear you say that you love me

Wanna hold me

Did I hear you say that you care

Girl, you ain't got no reason to die for

Girl, ain't got no reason to lie

Don't you know the meaning implied

You better save your breath

'Cause I ain't in no hurry to die

(CHORUS)

That's shit--I don't give a gawd damn bit

Girl, you ain't got no reason to die for

Girl, ain't got no reason to lie

Don't you know the meaning implied

You better save your breath

'Cause I ain't in no hurry to die

(CHORUS)
