

Pariah, Letter To Myself

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison, Michael Dan Ehmig)

This is a letter to myself
Painted picture, cry for help
It feels like I am now alone
I can't call you on the phone

[CHORUS]

If I could reach into your heart, I'd tear your world apart
It kind of broke inside of me
You gotta see it to believe--the world is crashin' on me
I've seen emotion to the end
It's always hard when you lose a friend
I don't quite know what words to say
Whispered nothings fade away

[CHORUS]

Was it written in blood, written in pain
Written in love or written in vain
Is it written in hope, written in shame
Just can't cope--who's to blame--oh, no

[CHORUS]
