

Pariah, Nobody Listens

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)

My head keeps spinnin' when I listen to your bitchin'

Never heard a word my dirty mouth spits

I'm crazy, wasted, I am lazy

No one hears what I say, I'm

(CHORUS)

Talkin' to myself when I say, kick and scream

Nobody listens

We can live some other way if you don't know

I bitch and scream, nobody listens to me

I don't pay attention to misinformation

The words we speak are always so degrading

There are things you ought to know but ya don't care

Speak your mind if you dare, I'm

(CHORUS)

I'm in a world gone mad, I never heard a place so sad

In a world where the people don't give a damn

'Cause they've got a free ticket to the promised land

I'm in a world gone mad

If you know we'll take you there

(CHORUS)
