

# Pariah, Torn & Tied

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)

She's torn & tied--she don't need no boyfriend

She's cryin'--no one knows she's suffering

I need a friend

I don't care, just anyone

How 'bout you

Police cars--don't their lights look beautiful

I think they do--I think they do

She's torn & tied--she don't know what day it is

She's cryin'--no one knows she's suffering

I need a friend

I don't care, just anyone

How 'bout you

Police cars--don't their lights look beautiful

She needs to--she needs to come

To my parents' house--you need to you need

There's no one at home--what do ya say we go inside

Come trip with me--come trip with me

Won't you trip with me--won't you join me

She's sleeping now underground in a hole

Where no one can find her

State pen let me on on parole and I'm gonna find her

Police cars--don't their lights look beautiful

Sleeping now underground in a hole

Where no one can find her

She's torn & tied--she don't need no boyfriends
