

Paris Avenue, I Want You

[feat Robin One]

Don't misunderstand me 'cause I want you
I see you on the floor baby, I want you
Baby stop where you're standing
I need to talk to you
Last night was really crazy
And I wanna make it up to you
And I, I didn't realize
That I meant anything to you
But now that I know your feelings
I need to get it through to you
Don't misunderstand me 'cause I want you
I see you on the floor baby, I want you
Don't misunderstand me 'cause I want you
I want you to want me too, like I want you
I want you
I want you
Cause I want you
Tell me girl, where do we go from here
I've been thinkin' 'bout you and I see you everywhere
And I, I'd be real surprised
If I got to see you in the new morning
I swear, the feeling I get from you
Makes it so damn hard to forget about the things you do
And you, you seem to think it's cool
To walk away from me, to misunderstand me girl
Don't misunderstand me 'cause I want you
I see you on the floor baby, I want you
Don't misunderstand me 'cause I want you
I want you to want me too, like I want you
Don't misunderstand me 'cause I want you
I see you on the floor baby, I want you
Don't misunderstand me 'cause I want you
I want you to want me too, like I want you
I want you
I want you
Cause I want you
