

Paris, Bedroom Parties

We are going to the big party
We're gonna have some fun, fun, fun, fun
Bring a lot of friends to the party
Everyone you know is around

We are going to the big party
We're gonna play some music oh yeah
Wanna dance? Then come to this party
We're gonna have a good time

Oh, we gotta give it all

If you're coming to the big party
you're gonna have the time of your life
(freak out)
Having sparkling drinks at the party
Gotta find your future wife

We are having a big party
We're gonna play some music oh yeah
Wanna dance? Then come to this party
We're gonna have a good time
