

# Paris Bennett, Dreamin'

I don't know  
What's really going on?  
Tell me what's happening  
It's like the world it  
So amazing  
So tired of fighting  
This killing me  
And free me I'm little confused about it  
Don't know if I'm dreaming  
Cause he's so attekted  
And I can't believe it  
What is this thing that I'm falling in  
Chorus:  
Somebody hates because I think that I'm dreaming  
So messed up cause I just can't believe what I'm seeing  
It's all because I thought this man is got me believe in  
I like it and now I'm holding this killing love  
This is no  
No ordinarily love  
He is the one I've been dreaming of  
Yes I like it  
And I love it and I need it  
Just can't get enough

Can't fight this  
This feeling anymore  
He is the one I've been waiting for  
I'm dreaming  
Let me beee  
Cause I love him  
Just can't get enough  
I don't know  
How I can feel this way  
How dear he do this to me  
He's got me open  
And I am hopping  
That we won't ever gone away  
And break me I'm  
Little scared about it  
Don't know if this  
Is the real?  
That's just as crazy  
He's making me crazy  
What is this thing that I'm dealing with  
Chorus  
This dude just  
Maybe my soul made and I like like the way
