

# Paris Twila, Cry For The Desert

## Verse I

I will cry for the desert  
When He's bleeding from His heart and soul  
Die for the desert  
And remove my hands from what I hold

Deeper in my heart I will hear Him call  
Deeper in my heart I will give it all  
Deeper in my heart

## CHORUS

I will cry for the desert  
oh  
I will cry for the desert  
oh  
I will cry

## Verse II

Cry for the desert;  
I will tremble and receive His pain  
Die for the desert;  
I will pour my life on this terrain

Deeper in my heart I will hear Him call  
Deeper in my heart I will give it all  
Deeper in my heart

## Bridge

The smallest grain of sand  
Is held inside my hand  
And when I look  
I see His face

The smallest grain of sand  
Is held inside my hand  
And when I look  
I see His face

REPEAT VERSE I

REPEAT CHORUS
