

Paris Twila, Faithful Friend

(Twila)

Everyone knows you as a man of honor;
I am glad to know you simply as a friend.
You've always taken time to be my brother,
And I'll be standing by you in the end.
But I would never put you on a pedestal.
I thank the Lord for everything you do.
I'll be there to pray for you and for the ones you love
I believe that he will finish all he started in you.
I will be an open door that you can count on
Anywhere you are, anywhere you've been.
I will be an honest heart you can depend on.
I will be a faithful friend.

(Stephen)

Ooo-oo

I am one of many whose path has been made clearer
By the light you've carried faithfully
As a warrior and a child.
God has used you greatly to encourage and inspire,
And you've remained a true friend all the while.
But I would never put you on a pedestal,
Cause we both know all the glory is the Lord's
And I'll be there to pray that he will keep you by his grace,
And I always will remind you to be seeking his face.

(Stephen and Twila)

I will be an open door that you can count on
Anywhere you are, anywhere you've been.
I will be an honest heart you can depend on.
I will be a faithful friend.

(Twila)

Should it ever come your time to mourn,
I will weep with you.
And every single time you win,
I'm celebrating too.

(Stephen and Twila)

I will celebrate with you.
I will be an open door that you can count on
Anywhere you are, anywhere you've been.
I will be an honest heart you can depend on.
I will be a faithful friend.

(Stephen)

I will be faithful.

(Twila)

I will be a

(Stephen and Twila)

Faithful friend.
