Paris Twila, Spring Water

Verse I If you find that you're living In a desert never fear Even though the earth is hard and dry If you'll share what you've been given New life will appear Soon you'll see a river rushin' by

CHORUS

Spring water Coming up from deep inside Spring water Holy Spirit purified He knows how to distill it All you gotta do is let Him spill it all around Spring water You just can't keep it in the ground

Verse II Pour your life out go ahead and give it all away You'll get back a lot more than you gave What will be tommorrow's promise water every day You can only lose the love you've saved.

CHORUS

CHORUS + repeat last 2 lines until end
