

# Park, Swell

Try and define  
the energy it takes to write these lines.  
that I find  
useless all the time.

Everyday  
I try not to stay awake.  
But instead asleep  
A safety net I keep.

Get up  
and over  
don't cave in.  
Get off  
and under  
tell me again.

Capsized.  
Leave those in between  
for someone else.  
Sure as a headache comes and goes  
so will you.

Use your failed sense of worst hue red

Down and into  
every piece of all of you.  
Its more of a thought I think  
than anything.

Everyday  
I try not to say your name.  
But end up failing  
in the worst of ways.

Such a beautiful thing to waste,  
and just as easy to replace.  
Tell me again  
and this time I'll be sure to listen.
