

Parokya Ni Edgar, Maybe Someday

i've been told since i was young
that everytime that christmas comes
santa comes with gifts and toys
for every little girl and boy

i've been told since i was small
that christmas comes with peace for all
everyone loves and no one hates
it's been said that life is great

maybe someday i would see
the christmas they keep showing me
the picture of how things should be
the one they keep on asking me to see

maybe someday (maybe someday)
(2x)

i wonder if they'll ever see
the children begging on the streets
the old man sleeping on the bed
of concrete underneath the shed

i wonder if they'll ever see
the family with no food to eat
the father with no gift to leave
underneath the tree on christmas eve

maybe someday (maybe someday)
(4x)

maybe someday i would see
the christmas they keep showing me
the picture of how things should be
the one they keep on asking me to see
