# Parokya Ni Edgar, My One And Only You

it took
one look
and forever laid out in front of me

one smile
then I died
only to be revived by you

there I was
thought I had everything figured out
goes to show there's too much I know
'bout the way life plays out

i take one step away
and I find myself coming back
to you
my one and only
one and only you

now I know

that I know not a thing at all
except the fact that I am yours
and that you are mine

oh
if you told me that this wouldn't be easy
and oh
i'm not one to complain

i take one step away
and I find myself coming back
to you
my one and only
one and only

i take one step away
and I find myself coming back
to you
my one anxd only
one and only you
