

Parokya Ni Edgar, Untitled

It took
one look
and forever lay out in front of me
One smile
then I die
only to be revived by you
There I was
thought I had everything
figured that
goes to show there too much I know
bout the way life plays out

* i take one step away
and I find myself coming back
to you
my one and only
one and only you

Now I know
that I've known lot of things at all
except the fact that I am yours
and that you are mine

Oh, if you told me that it wouldn't be easy
and Oh, I'm not one to complain

* except last word
*
