

Parokya Ni Edgar, Your Song

It took
one look
and forever lay out in front of you

One smile
then I die
but it will be revived by you

There I was
thought I had everything
figured out
goes to show just how much I know
bout the way life plays out

Chorus:
I take one step away
and I find myself coming back
to you
my one and only
one and only
you..

Now I know
that I know not a thing at all
except the fact that I am yours
and that you are mine

Oh,
if you told me that it wouldn't be easy
and Oh,
I'm not one to complain

repeat chorus
(except the last word)
