Parson James, Only You

and i need your love i need you here with me and I don't care about much else and I know it's hard for 5 million reasons but I don't think I could wait

when I'm feeling your love it's like a wind that blows I can't give yp and I can't let go I won't give o won't lose when I'm broken down and I'm bruised I'm gonna get myself back home to you

Only you /4x

and I need someone to lay down beside me cause I can't sleep by myself and my poor old heart's in 5 million pieces now I'm asking for your help

when I'm feeling your love it's like a wind that blows I can't give yp and I can't let go I won't give o won't lose when I'm broken down and I'm bruised I'm gonna get myself back home to you

Only you /4x
