

# Part Six, Cruisin'

Can't believe it's almost saturday night  
sun don't quit, still lokking bright  
ain't nothing more important to me  
than getting ready to hit the streets  
need some time cause i worked all week  
damn i need a change  
need a little peace  
ain't concerned bout no one else  
tank is full and i'm bout to jet  
Let's chill, sit back, rewing let's have a good time  
it's time to unwind  
do what you wanna do

Refrain:

You know that we'll be cruisin  
boulevard we don't stop  
everbody is coming  
won't be late at the stop  
Kelly, Saundra, Susan  
Lady's looking so hot  
fellas crank that music  
cruisin round in that drop  
(cruisin round in that drop)  
Hey, nah nah nah nah  
hey, nah nah nah nah  
hey, nah nah nah nah  
Cruisin, cruisin  
Hey, nah nah nah nah  
hey, nah nah nah nah  
hey, nah nah nah nah  
Cruisin, cruisin

Rolling pretty rims all touches up  
leathers speats get a little more love  
in case a shortie is ridin' next to me  
case we be getting down in the back of them seasts  
don't be surprised if we hit your block  
you might just hollar but we might not stop  
we got plans so we see u at the spot  
cruisin to the club  
the nights so hot  
let's chill, sit back, rewing let's have a good time  
it's time to unwind  
do what you wanna do
