## Part Six, Showtime

Chicks looking so fligh fligh, everyone's hands up high high, party's on fire no lie lie, shawty get down for me its showtime tonight...

Weekend begins on friday partying until saturday saturday's gon'be my day ladies shaking it always everyone's looking for a beauty next party's gon'be on tuesday hey lil'beauty excuse me would you come here and seduce me...

This party's gonna rock all night night, ain't nobody checking the time, time, searching for the last dime dime, shawty get down for me its showtime tonight...

ain't gonna say bye bye everyone's feeling alright right chicks trying to get into the limelight shawty get down for me its showtime tonight...
