

Part Six, The Love Is Over

now see, i have never thought that we would end by this way
this is what i got to say, so just listen
last night i thought about us, about the love and about the trust
girl i'm so tired of seeing us fighting, sicking time of cheating and lieing
now you and me in ago to survive girl
tell me how we can should should

baby you know you know the love is over now, the love is over now
we gonna take about
i'm talking about us, talking about us, talking about us

now girl i'm asking what was wrong
you know a love is supposed to be strong
sadly you gain part of my business
no more love and tell me what is this
now you and me are gonna to survive girl
tell me how we can should
baby you know you know the love is over now, the love is over now
we gonna take about
i'm talking about us, talking about us, talking about us

baby girl is over now
we gonna take a bow
you gonna see me now
baby
i'm gonna lep alone, i'm gonna sleep at home
i'm gonna put a swear
now cheat as has you done
