

Part Six, What You're Made Of

Let's go, yes i know, everybody knows
You've got that feeling
Get up now, yeah get on up and the show
Us all what you're made of
Oh no, yes i know, every time i do
I get all the attention
Get up now yeag get on up and show
Us all what you're made of

When i'm thinking, everyday every
Night every time i see
What i got and what the world is,
Damn it's good to me, yeah
When you watching everything semms so
Good but what happens inside
Get up now yeah get on up and show us all
How to move that far
Oh can't you see if you got the will you'll
Make it far
You gotta try, try try and fight, fight fight
Cause you gotta do what's right, c'mon

Let's go, yes i know, everybody knows
You've got that feeling
Get up now, yeah get and the show
Us all what you're made of
Oh no, yes i know, every time i do
I get all the attention
Get up now yeag get on up and show
Us all what you're made of

Hey sweet baby, did you know that
Everything i see in you, makes me blow away yeah
And did you know that you,
Ah now you can do it
Get up now, yah get on up
And do something about it
Oh can't you see if you got the will you'll
Make it far
You gotta try, try try and fight, fight fight
Cause you gotta do what's right, c'mon

Let's go, yes i know, everybody knows
You've got that feeling
Get up now, yeah get and the show
Us all what you're made of
Oh no, yes i know, every time i do
I get all the attention
Get up now yeag get on up and show
Us all what you're made of
Crazy sexy cool you name it

Bringt it on, bring it, brint it on
Jusp pull your hands back cause i said
That
Seeking, looking for my game
Crying over all that fame
All the time it never came so show us all
What you're made of

Let's go, yes i know, everybody knows
You've got that feeling
Get up now, yeah get and the show
Us all what you're made of

Oh no, yes i know, every time i do
I get all the attention
Get up now yeag get on up and show
Us all what you're made of
