

# Party, Where Is My Romeo?

Looking out my window, I'm looking for love.

So hard to find it when you need it so much.

Staring at these people all walking alone. True love will find me, I've got to be strong.

I know you're out there still finding our way and I do believe that we'll meet someday.

Where is my Romeo? Where can he be? Where is my Romeo? I'll wait for you.

Send me love, my angel, the one that I need. I'm gonna find the man of my dreams.

Someone who will love me, somewhere to belong.

Be still, my heart, it won't be too long.

I've tried to imagine you here by my side, so, I'll be here waiting for you to arrive.
