

# PARTYNEXTDOOR, Believe It (feat. Rihanna)

babe  
best make me believe it  
best make me believe it  
believe you want deceive me  
hay, hay, hay  
best make me believe it  
best make me believe it  
believe you want deceive me

first you gotta forgive me  
let me know everything gon' be ok  
and if I come back whit everything I did  
would you still punish me?  
you know I did a long time ago  
if so, let me know

if I propose, would you say no?  
would you embarrass me or play your part?  
baby, don't fall , my heart is yours

You got the power, pussy power  
You got the power, pussy power  
The flow is yours  
The time is ours  
hay you believe it or you don't?  
choose to you beliebe in who you want  
if you leave me, I am skull and bones and dead, baby  
it's on me

best make me believe it  
best make me believe it  
believe you want deceive me  
hay, hay, hay  
best make me believe it  
best make me believe it  
believe you want deceive me

you told me that you'd kill me if I fuck around  
you told me I am lucky motherfucka  
you love 'em but you never ever trust 'em  
you never ever trust me, no more  
there's 2 ides to the story  
and that girl got a good PR  
I know we'll never make if far  
because I like my bitches

tell me you love me cause I know they won't  
they want to fit in for the photoshoot  
put down my sign, baby, I notice you  
lame niggas hate baby they acting new  
my family like you, they liking oyu  
my momma WHATSAPP and she Skype you  
she wanna know why thet you say "Either Way"  
you know you

best make me believe it  
best make me believe it  
believe you want deceive me  
hay, hay, hay  
best make me believe it  
best make me believe it  
believe you want deceive me
