

# Pascale Picard, Gate 22

I wont try to argue now  
Anyway I feel theres nothing I could say  
To ease your mind  
Maybe theres nothing exciting outside  
But round here Im just wasting my time  
Spinning round on nothing new  
When I close my eyes I remember that kiss  
Id rather keep them wide open  
And if I miss that train do you really think  
That even here, Id be closer to you  
So here I am leaving soon and  
Im standing at gate 22  
Cause whatever you may think I forgot  
You know Im still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know Ill keep hanging on. Sweet memories  
Im leaving but my mind will surely stay  
At gate 22  
Theres too many dreams I must chase down  
Though sometimes I bite off more than I can chew  
I know youd like to keep me near  
I know its easier to be two  
But I cant plan my life all around you  
Im weaker than Ill let you know  
So dont ask me to jump this wall  
From here it looks too tall  
Two people kissing goodbye facing a door  
A classic picture were all tired of  
So here I am leaving soon and  
Im standing at gate 22  
Cause whatever you may think I forgot  
You know Im still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know Ill keep hanging on. Sweet memories  
Im leaving but my mind will surely stay  
And I already see the picture of that day  
When youll say youll wait for me  
And Ill pretend just then to believe you  
Ill send you postcards for a few weeks and then  
Another perfect moment at the wrong time  
But the timing is always wrong  
Here I am leaving soon and  
Im standing at gate 22  
Cause whatever you may think I forgot  
You know Im still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know Ill keep hanging on. Sweet memories  
Im leaving but my mind will surely stay  
At gate 22
