

# Passenger, I See Love

Well we'll roll down dirty old windows  
And sing with our eyes closed  
Belt out the high notes  
And we'll go down to the beach where the wind blows  
And we'll throw off our old clothes  
And we'll dance with our eyes closed

Cause I see love  
I see love when I close my eyes  
And I see love  
I see love when I close my eyes

Yeah we'll watch the stars glow  
And the flames burn the wood slow  
Playing games with our shadows  
Till all four of our eyes close  
Darling we'll sleep close  
With no blankets or pillows  
Like "The Wind In The Willows"  
And we'll dream with our eyes closed

And I feel love in spite of myself  
And I feel love to frighten myself  
And I feel love and I feel nothing else

Vultures and black crows  
Perching on signposts  
Circling like ghosts  
So we'll just keep our eyes closed□
