

# Pat Benatar, 7 Rooms Of Gloom

I see a house, a house of stone  
A lonely house, 'cause now you're gone  
7 rooms, that's all it is  
7 Rooms Of Gloom  
I live with emptiness, without your tenderness  
You can take the dream I had for us, and turn that dream into dust  
I watch a phone that never rings  
I watch your door that never brings  
Brings you back into my life, and turn this darkness into light  
I'm all alone in this house, turn this house into a home  
I need your touch to comfort me  
Your tender, tender arms that once held me  
Without your love, your love inside  
This house is just a place to run and hide  
7 rooms, that's all it is  
7 Rooms Of Gloom  
I live with emptiness, without your tenderness  
Don't make me live from day to day  
Watching a clock that ticks away  
Another day, another way, another reason for me to say  
I need you here, here with me  
I need you darling, desperately  
I'm all alone, all alone in this house that's not a home  
I miss your love, I once had known  
I miss your kiss that was my very, very own  
In the silence that surrounds me, lonely walls - they stand  
7 rooms, that's all it is  
7 Rooms Of Gloom  
I live with emptiness, without your tenderness  
And all the windows are painted black  
I'll wait right here until you get back  
I'll keep waiting, and waiting, until your face again I see  
Darling, Yeah Hea, Huh  
I want you back now  
I keep waiting, and waiting  
I want you back now  
I keep waiting, and waiting, come on back now....  
I keep waiting, and waiting, and waiting, waiting, waiting, waiting  
I want you back now, Whoa - now  
Come on back now...
