

# Pat Benatar, Have It All

You think that you're the second coming  
Sorry to say it doesn't do it for me  
Must be a drag when you're so stunning  
In all that you are  
And all that you hope to be

(chorus)

You can have it all, take it all  
Break it all, forsake it all  
Want it all, choose it all  
Use it with no stake at all  
Keep it all, trash it all  
Lead it just like sheep at all  
Hate it all, love it all and still  
You'll have nothing

You think that you can walk on water  
Better be careful, it gets mighty deep  
I'd be afraid of what my thoughts were  
You never know who'd be willing  
To take that leap

(chorus)

When you look in the mirror  
Do you see any clearer  
Or are you blinded  
By your own visions  
Or have you ever thought  
That maybe you were wrong  
Or do you just reside  
In your illusion

(chorus)
