

Pat Benatar, Hot, Blue And Righteous

Hot, blue and righteous,
an angel called me aside.
Hot, blue and righteous,
said, Stick by me and I'll be your guide.

I heard the words as I closed my eyes
down on my, down on my bended knees.
It fit like a glove and I realized

somehin' good's happenin' to me.

Hot, blue and righteous
angel called me aside.
Ooh, ooh, ooh.
