JIMMY SAYS

Pat Benatar

Written by: David Buskin & Abra Bigham

From the album "Free To Be A Family" (1988)

Jimmy says, "Do this.."

Jimmy says, "Do this.."

I say, "I don't want to!"

Jimmy says, "Do this.."

Jimmy says, "Do this.."

I say, "I don't want to!"

Trying to make up my own mind

Got my own direction to find!

Yeah, I know Jimmy's cool and everyone at school

Usually does what Jimmy does, without thinking - just because

Jimmy says, "Try this.."

Jimmy says, "Try this.."

I say, "I don't need it!"

Jimmy says, "Try this.."

Jimmy says, "Try this.."

I say, "I don't need it!"

Sometimes it's just no fun

To feel like you're the only one

Who doesn't go along, when things seem wrong

But they're not my friends if they don't see

That I don't like people pushing me!

Hey man, what's the matter with you?

Oh, come on! Everybody's going!

Chicken!

Nobody's gonna know!

What are you, scared?

Everybody does it! Come on!

I might hang out with Jim

But I don't need to be just like him

Got to listen to myself

Cause you can't let someone else

Always make your move for you!

Got to find out what you want to do!

Jimmy says, "Try this.."

Come on and try this!

I say, "I don't need it!"

Jimmy says, "Come on, try this.."

I say, "I don't need it!"

Oh Jimmy, Jimmy
