

Pat Benatar, Invincible Legend Of Billy Jean

This bloody road remains a mystery
this sudden darkness fills the air
what we waiting for?
wont anybody help us
what we waiting for?

(Chorus)
We cant afford to be innocent
stand up and face the enemy
its a do or die situation
we will be invincible

This shattered dream you can not justify
we're gonna scream until we're satisfied
what are we running for?
we've got the right to be angry
what are we running for
when there's nowhere we can run to anymore

(Chorus)
We cant afford to be innocent
stand up and face the enemy
its a do or die situation
we will be invincible

and with the power of conviction
there's is no sacrifice
its a do or die situation
we will be invincible

wont anybody help us
what are we running for
when there's nowhere, nowhere we can run to anymore

(Chorus)
We cant afford to be innocent
stand up and face the enemy
its a do or die situation
we will be invincible

and with the power of conviction
there's is no sacrifice
its a do or die situation
we will be invincible

2x
We cant afford to be innocent
stand up and face the enemy
its a do or die situation
we will be invincible
