

Pat Benatar, Suffer The Little Children/hell Is For

We're running with the Shadows Of The Night
So baby take my hand, you'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
You said - oh girl, it's a cold world
When you keep it all to yourself
I said you can't hide on the inside
All the pain you've ever felt
Ransom my heart, but baby don't look back
Cause we got nobody else
Chorus:

We're running with the Shadows of the Night
So baby take my hand, you'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
You know that sometimes, it feels like
It's all moving way too fast
Use every alibi and words you deny
That love ain't meant to last
You can cry tough baby, it's all right
You can let me down easy, but not tonight
We're running with the Shadows of the Night
So baby take my hand, you'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
We're running with the Shadows of the Night
So baby take my hand, you'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
And now the hands of time are standin' still
Midnight angel, won't you say you will
