

# Pat Benatar, Treat Me Right

(Pat Benatar and D. Lubahn)

You want me to leave  
You want me to stay  
You ask me to come back  
You turn and walk away  
You wanna be lovers  
And you wanna be friends  
I'm losing my patience  
You're nearing the end  
One of these days  
You're gonna reach out and find  
The one that you count on  
Has left you behind  
Don't want to be no martyr  
With no one, no say  
Oh my, my baby  
Before it's too late

Treat me right  
Treat me right  
Open your eyes  
Maybe you'll see the light

Do you think I'm a fool  
Well you better think twice  
I've had enough, baby  
It's time you realized  
That you can't have it both ways  
It's no way to live  
You've done all the takin'  
It's your turn to give

One of these days  
You're gonna reach out and find  
The one that you count on  
Has left you behind  
Don't want to be no martyr  
With no one, no say  
Oh my, my baby  
Before it's too late

Treat me right  
Treat me right  
Open your eye's  
Maybe you'll see the light  
Ooh-oo  
Treat me right

[Instrumental Interlude]

You want me to leave  
You want me to stay  
You ask me to come back  
You're turnin' love away  
You wanna be lovers  
And you wanna be friends  
I'm losing my patience  
You're nearing the end

Treat me right  
Treat me right  
Open your eyes  
Maybe you'll see the light

Ooh-oo  
Treat me right

Treat me right, treat me right  
Treat me right, treat me right  
Treat me right, treat me right  
Treat me right, treat me right  
Treat me right
