Does she love me? It's too soon to know  
Can I believe her when she tells me so?  
Is she foolin'? Is it all a game?  
Am I the fire or just another flame?  
A one-sided love would break my heart  
She may be just acting and playing a part  
If she don't love me let her tell me so  
I won't hold her if she wants to go  
Though I'll cry when she's gone  
I won't die, I'll live on  
If it's so, it's too soon, way too soon to know  
If she don't love me let her tell me so  
I can't hold her if she wants to go  
Though I'll cry when she's gone  
I won't die, I'll live on  
If it's so, it's too soon, way too soon to know
